Christmas Dinner 2022

DATE

Dear Parents/Carers

We are pleased to inform you that our fantastic catering department at The Newbridge School will be serving festive lunches towards the end of this half term.

The menu options are attached, and the festive lunches will be served on the following days:

**Year 7s Monday 5th December - Year 8s Tuesday 6th December - Year 9s Wednesday 7th December -
Year 10s + Year 11s Thursday 8th December**

If students do not want a Christmas dinner, drinks and hot and cold snacks will still be served at lunchtime in the Quad and the Outside Diner.

[All festive lunches must be ordered by clicking on this link.](#)

£3.00 will be deducted from your child's catering account in the week commencing Monday 5th December 2022, we ask that you please ensure there are sufficient funds in place to cover the costs. If your child receives Free School Meals, you need only complete the order form by following the link above.

Our festive lunches are always popular. Students are seated in their tutor groups with their Tutors and share in a festive celebration served to them by the Senior Leadership Team – the event is not to be missed.

Please ensure the order form is completed by Friday 2nd December and funds are available to be withdrawn from your child's catering account.

Yours faithfully

Mr Danny Birt
Head of Year 7
