Dear Parents / Carers,

As you will be aware, The Newbridge School officially joined The Lionheart Educational Trust on September 1st 2022. As a result, we have reviewed many of our systems in line with The Lionheart Educational Trust and this includes using a programme called **Beehive** instead of Arbor.

Beehive is an online resource that is bespoke to The Lionheart Educational Trust and its schools. As well as hosting lots of tools and information for staff, it has dedicated areas to be used by students and parents.

Beehive is used for:

- **Timetables** – students and parents can easily see timetables, knowing when, where, who, and what subject will be taught that day or week.
- **Behaviour** – view rewards and sanctions for good and poor behaviour.
- **Assignments** – homework set can be viewed easily.
-

For parents to use **Beehive**, you will need to register. To do this you need to go to the website: <https://beehive.lionhearttrust.org.uk> and then click the register button.

You will then be taken through a wizard to register. Please note, you will need to register using the email address that the school has on record for you.

More information on **Beehive** including FAQs, a tour of the system and instruction on how to register can be found here: <https://lionhearttrust.org.uk/beehive>

There is also an App to download from Google Play or the App Store so that you can receive updates on your phone.

We recommend you register with **Beehive** as soon as possible so that we can keep you updated on your child whilst they are at school.

Thank you for your patience with this matter.

Kind regards

Mr M Rowbottom
